‘Akshargandh’ (A Year-book)

‘Akshargandh’ (A Yearbook) is published annually to show the record, to highlight what was happened throughout the last year and the successes of the students and teachers. It reflects the events and lives of the students involved in various activities. It is little more than a picture book. It often includes student’s literary works and their art. It inspires the students to provoke their hidden ideas through words. ‘Akshargandh’ explores the various activities of students like cultural, sports, elocutions, prose and poetry, cartoons, paintings, jokes etc.. It also maintains the record of teaching and non-teaching faculty e.g. awarded degrees, published research papers, research articles, delivered lectures, completed courses like Refresher, Orientation , Short-term courses etc.

It plays the role of memory book, a history book, a record book and/ or a reference book.
